📍 Manenberg, Cape Town

SUMMARY

I'm a web developer with a passion for creating clean, user-friendly websites and applications. I love problem-solving, learning new technologies, and bringing ideas to life through code. With a strong eye for detail and a knack for efficiency, I enjoy building seamless digital experiences. When I'm not coding, you'll probably find me reading, cooking, or sketching. I'm always looking for new challenges and opportunities to grow in the field!

EDUCATION
